**About BCU’s Scholarship Program:**

As part of our ongoing commitment to providing practical, real-world education, BCU proudly partnered with Scholarship America to introduce the BCU High School Scholarship Program in 2014.

The BCU Scholarship Program recognizes exceptional students that demonstrate not only academic qualities of excellence, but also how they share in BCU’s core values, with each applicant asked to describe a time they’ve had someone’s back in a short essay.

Information for applications to the BCU Scholarship Program in 2015 will be announced soon.
